REMARKS

Applicants thank the Examiner for taking time to discuss the present office action and providing helpful comments in the telephonic interview of September 3, 2008. During the interview Applicants discussed with the Examiner, Applicants' priority claim and whether Applicants' proposed Amendment and Response to the outstanding office action would be considered non-responsive to the Final Office Action issued June 11, 2008. Applicants also discussed with the Examiner whether the proposed amendments to the claims would constitute a new restriction requirement. The Examiner was very helpful in her suggestions regarding claim amendments that would prevent a further restriction.

No fees are believed to be due; however, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 14-0629.

Respectfully submitted,
